Title: Ninja Showdown at KBTU

Developers: Дүйсенбек Гүлзат, Камила Мурат

Game Designer: Серік Нұршат

Project Manager: Хамидулла Темірлан

Overview:

Welcome to the pixelated realm of "Ninja Showdown at KBTU," a thrilling fighting game set in the picturesque land of Kazakhstan. The stage is the iconic Kazakh-British Technical University, where the battle between two nimble ninjas, Arnur Kelgenbayev and Vladimir Popov, unfolds in a retro-inspired pixel design reminiscent of "Super Mario Bros."

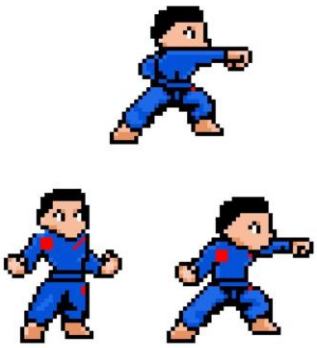
Objective:

As the Blue Ninja, Arnur Kelgenbayev, your mission is to defeat the Red Ninja, Vladimir Popov, by either scoring 10 points through precise fireball shots or depleting Vladimir's health to secure a Purple belt of Karate.

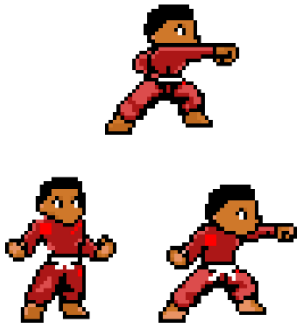
Gameplay:

a) Characters:

- Main Character: Arnur Kelgenbayev - Blue Ninja armed with fireball-shooting abilities.



- Enemy: Vladimir Popov - Red Ninja with swift movements, constantly traversing the left-right sides of the game.



b) Scoring System:

- Score Bar: Located in the right upper corner, the Score Bar tracks the player's progress.
- Point System:
- Hitting Red Ninja with a fireball increases the score by 2 points.
- Red Ninja touching Blue Ninja decreases the score by 5 points.

c) Health System:

- Red Ninja has a health bar that transitions from green to full red when nearing defeat.

- Blue Ninja aims to reduce Red Ninja's health to zero to secure victory.

d) Game Progression:

- The player must achieve a score of 10 points or deplete Red Ninja's health for the Blue Ninja to attain the prestigious Purple belt of Karate.

e) Obstacles:

- Navigate through the university's pixelated landscape, avoiding obstacles while strategically shooting fireballs at the elusive Red Ninja.

Graphics:

The game features charming pixel art design, capturing the essence of classic platformers like "Super Mario Bros." The backdrop showcases the Kazakh-British Technical University, creating a visually engaging environment for the intense ninja showdown.

Conclusion:

"Ninja Showdown at KBTU" offers players an exciting blend of classic pixel aesthetics and dynamic fighting gameplay. Will Arnur Kelgenbayev emerge victorious, securing the coveted Purple belt of Karate, or will Vladimir Popov prove to be a formidable adversary? The fate of the ninja showdown lies in the hands of the player. Prepare for an adrenaline-pumping, pixelated adventure in the heart of Kazakhstan!
